

With Or Without You – U2

As you listen to the song, decide if the *th* sounds in bold are *voiced /ð/* or *unvoiced /θ/*

See the / **th** / stone set in your eyes
 See the / **th** / thorn / **th** / twist in your side
 I wait for you

Sleight of hand and twist of fate
 On a bed of nails she makes me wait
 And I wait without / **th** / you

With / **th** / or without / **th** / you
 With / **th** / or without / **th** / you

Through / **th** / the / **th** / storm we reach the / **th** /
 shore
 You gave it all but I want more
 And I'm waiting for you

With / **th** / or without / **th** / you
 With / **th** / or without / **th** / you
 I can't live
 With / **th** / or without / **th** / you

And you give yourself away
 And you give yourself away
 And you give
 And you give
 And you give yourself away

My hands are tied, my body bruised
 She's got me with / **th** /

Nothing to win and
 Nothing left to lose

And you give yourself away
 And you give yourself away
 And you give
 And you give
 And you give yourself away

With / **th** / or without / **th** / you
 With / **th** / or without / **th** / you
 I can't live
 With / **th** / or without / **th** / you

With / **th** / or without / **th** / you
 With / **th** / or without / **th** / you
 I can't live
 With / **th** / or without / **th** / you
 With / **th** / or without / **th** / you

Oh...

With / **th** / or without / **th** / you
 With / **th** / or without / **th** / you
 I can't live
 With / **th** / or without / **th** / you
 With / **th** / or without / **th** / you
